##### Minutes

Commissioner Curtis moved to approve the minutes of the March 23, 2012 Redevelopment Commission meeting. Commissioner Grama seconded. Commissioner Gray noted a correction page 3 under the Payment of Claims, he was incorrectly listed as seconding the motions for approval of the Sagamore and KCB claims. It was agreed that the recording of the minutes should be reviewed, the minutes corrected and presented for approval at the May meeting. Commissioner Sorensen moved to table the minutes until the May meeting. Commissioner Gray seconded. The motion passed 5-0.

##### Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Harrison Street – The project is nearing completion. Milestone Contractors plan to do surfacing next week for the trail and the mainline pavement. Sodding is scheduled for this week with striping and signage to be done after the final course of pavement has been completed.
- Cumberland Avenue Reconstruction Phase II – The closure at Manchester is up and detours are in place. Rieth-Riley has begun pavement removal and is encountering soft soils which will require stabilization. A meeting with Vectren to discuss the impact of soil

conditions has been scheduled. A change order to add stormwater quality measures as required by IDEM is expected by the May meeting.

- Yeager Road Reconstruction – Milestone Construction has been working on storm sewer installation along Northwestern Avenue and Yeager Road. Construction has slowed/stopped pending completion of water line relocation and service tie-ins by Indiana American Water which should be completed by the end of this week. All other utilities have completed their relocation.

Parks Superintendent Joe Payne updated the Commission on the following project:

- Wabash Heritage Trail Extension Phases I and II – Work with INDOT completing the final record Phase I of the trail is underway. It is expected that the final determination of liquidated damages due from the contractor for delay in completion of the project will go to arbitration. A final decision could take sixty days. Phase II is progressing. The block wall is more than 80% complete. A summer completion date is anticipated. The Parks Department will continue work around the project.

Department of Development Director Chandler Poole updated on the following project:

- Fire Station No. 3 – Bids are scheduled to be opened for construction of the station this Friday, April 20. A groundbreaking date will be determined after the bids have been reviewed.

#### Resolution RC 2012-4 Levee/Village TIF Expansion

Commissioner Sorensen moved to approve Resolution RC 2012-4 A Resolution of the City of West Lafayette Redevelopment Commission Modifying and Confirming the Amendment of the Redevelopment Plan for the Levee/Village Redevelopment Area. Commissioner Grama seconded. President Oates provided a background of the resolution which is to expand the Levee/Village TIF District. The boundaries of the expanded area were reviewed. A map illustrating the current Levee/Village TIF area as well as the expanded area was discussed. Under the resolution, the district is established as of March 1, 2012. Assessed values for residential areas or apartment buildings that are four stories or less in height are not captured within the TIF District. Although residential properties are in the TIF District, their underlying revenues and assessed value remains outside of the TIF District, but by encompassing the residential properties within the TIF District, neighborhood stabilization, road and sidewalk reconstruction and assistance in park facilities and trails can be accomplished.

The resolution (RC 2012-2) recommending the expansion be approved was approved by Redevelopment Commission at the February 22, 2012 meeting, approved by both the Area Plan Commission, and the City of West Lafayette Common Council. Resolution RC 2012-4 is the final step to consider the expansion. Questions and comments from the Commission were requested.

A public hearing was held with members of the public providing comments, input, and questions. The public hearing was closed.

The roll call vote:

**Aye:** Curtis, Grama, Gray, Oates, Sorensen

**Nay:**

The motion to approve Resolution RC 2012-4 A Resolution of the City of West Lafayette Redevelopment Commission Modifying and Confirming the Amendment of the Redevelopment Plan for the Levee/Village TIF Area passed 5-0.
